

SCHOOLLING

Refund & Cancellation Policy

Schoolling does not entertain refunds or cancellations. In the extreme case of discrepancy from our side, we will offer refunds under the guidelines mentioned in this refund policy.

Please note that by entering into a transaction with us, you are automatically accepting the terms mentioned below.

Cancellations:

We do not offer cancellations. The application process must be completed within 72 hours of payment or no consideration will be given to the form filled and the money will become non-refundable (in any case).

Refunds (if applicable):

No refunds will be given unless there is a discrepancy from Schoolling's side. Once your return is initiated and inspected, we will send you an email to notify whether we have approved or rejected your request. If your request is approved, your refund will be processed, and a credit will automatically be applied to your credit card or the original method of payment, within 5-7 working days. It is important for you to understand that some amount (i.e. processing charges) may be deducted from the refund provided.

Late or missing refund (if applicable)

If you haven't received a refund yet, first step would be to double-check your bank account. Then contact your credit card company because it may take some time before the refund is officially posted. Next step would be to contact your bank. The processing time for a refund can vary.

If you have done all this and still haven't received a refund, please contact us.

3-day deadline:

Once a payment has been made, you must complete and submit the Common Admission Form and the mandatory documents within a time frame of 72 hours (3 days). Failure to do so will automatically result in cancellation of order. No refunds will be made in such cases.

We reserve the right to make changes to this refund policy without prior notice to the users. It is advised that the user stay updated.
